#### State Business Leadership Conference

Discussion on moving the format of opening session to the following order: Greetings, Chapter Awards, Candidate Speeches, Keynote, Competitive Events. This is an easy fix in scripting and will not be an issue to implement for 2019 SBLC.

#### Courtesy Corps

##### Discussion

The management team could assign courtesy corps members as timers where appropriate.

#### Decision

Larina Warnock made the motion to approve using courtesy corps members as time keepers where appropriate. Kelly Fields seconded the motion. The motion passed.

National Leadership Conference

Discussion:

NLC Prep Days should be held in May surrounding the May board meetings.

Decision:

Tonya Boustead made the motion to host NLC Prep Days in May surrounding the board meetings. Larina Warnock seconded. The motion passed.

Adviser Conference

Discussion

Post chapter success guides ASAP after May meeting. 19-20 share that sub \$100. If doing a collaborative event, please share information sooner than night before.

BOA would still present a significant portion of the information versus the state management team. Suggest same time frame as the 2018 conference.

OLI

Discussion

Susan had shared that her students preferred staying overnight at a hotel versus the one day event. Kelly shared that she was just rebuilding and the cost was very high. She would like to see the CLT come back. Jennifer would like to have an event that was more cost effective. Tonya likes the idea of alternating locations.

CLT type of a half day at a school. Could have local people do workshops and state officers as well. Could have new members, competitive events, interview skills could be topics. Might be able to take far more students with a lower price point. A \$20 price point with lunch would be better. Evenings would be harder for attendance.

BOA would like management team to explore possibilities of OLI or changing to a tour type plan.

Next Meeting is tentatively set for May 10, 9:00 am.

The meeting was adjourned at 3:35 PM.
