General Guidelines

Participant Eligibility

- Participants can compete in up to two (2) events at the regional level. Participants may have their two (2) events be with performance.
- Oregon FBLA will not institute limits to the number of competitors a chapter can register for each competitive event – Chapters can register an unlimited number of members per event.
- The top 10 winners at the regional level will be recognized and receive awards and are qualifiers for state level competitions

Competitor Conduct

Any participants found to be sharing event topics, scenarios, or test questions with any other person (including guests, advisers, chaperones, members from other schools) will be disqualified from ALL competitions. Depending on the severity, the participant may be removed from the conference or in certain cases the entire chapter may be disqualified from competition.

Competitive Event Guidelines

For competitive event guidelines, Oregon FBLA follows the National FBLA Guidelines. You can find these guidelines on the National FBLA Website at www.fbla.org.

- FBLA High School Guidelines: https://www.fbla.org/high-school/competitive-events/
- FBLA Middle School Guidelines: https://www.fbla.org/middle-school/competitive-events/

Please take note of these important guidelines and expectations for competitive events:

- Objective Testing for Role Play Events: With the exception of Impromptu Speaking, all role play competitors must take the objective test.
  - For teams, all members of the team must take the individual objective test. If a team member does not take the test, they will be removed from the team and not allowed to perform in the final round.
  - The top 15 scoring entries in Role Play Events objective testing will perform in the final round at RSC.
- Complete all components of competitive events: Please note that the following competitions have multiple components for overall scoring. All components must be completed to be eligible to place in the event:
  - Business Ethics
    - Case Study
    - Objective Test
    - Performance (Case Study and Objective Test must be completed/submitted by December 17th in order to perform)
  - Job Interview
    - Resume & Cover Letter (These pre-judged documents must be completed/submitted by December 17th in order to interview)
    - Interview

RSC Virtual Contingency

In case the decision is made to move forward virtually due to weather or other undetermined circumstances, please be aware of the following contingency plan:

As typical, each competitive event will allot ten qualifying spots for SBLC (no change). Below is how we will determine the qualifiers for each event:

- Objective/Production Events: No change, top ten will proceed
- Pre-Judged Events, Role Play Events & Presentation Events: If 10 or less are registered, they will be automatically pushed through with no submission or scoring. If there are 11 or more competitors registered in each event, the following applies:
  - Pre-Judged Events: Based on submission only, no presentations
  - Role Play Events: Objective test only, no presentations
  - Presentation Events: Upload a video of your presentation to BluePanda to be reviewed and judged by the State Management team for placing
